HEALTH SCREENING CONSENT FORM

The School Readiness Nurses (SRNs) funded by the Children and Families Commission of Orange County, work collaboratively with both parents and professionals to provide an array of services. Our nurses help develop skills that build strong families with healthy children, ages 0-5, who are learning and ready for school.

The SRNs from Irvine Unified School District will be providing health screenings for preschool children at no cost. These screenings consist of hearing, vision, dental, and development as well as measuring height and weight. They are also available to assist you, if needed, in obtaining health insurance. These screenings, performed once during the school year, are not meant to substitute for your child's regular check-ups with his/her Primary Healthcare Provider (PCP). In order to complete the screenings your signature is required below. If you have any concerns about the results, it is always recommended that you consult your child's PCP.

*If you do not want your child to participate in any of the screenings, please write which screening you do not want your child to have:*___________________________________
