ECLC Preschool Offerings 2020 - 2021

On July 17, 2020, Governor Newsom's announced that all public schools on California's [state's monitoring list](#) for rising COVID infections will be required to close for in-person instruction until the counties are off the monitoring list for 14 consecutive days. Because Orange County is currently on this list, IUSD including ECLC, will start the 2020-2021 school year in a distance learning format until conditions improve.

Distance learning will provide tightly structured and standards aligned lessons, with frequent synchronous learning, appropriate support, social interactions, and access to learning resources. Our students will receive the rich instruction, support, and connection they need.
