Where 'Little' is Great!

November 10, 2020

Dear ECLC Families,

Thank you all for your ongoing support and efforts to ensure students and staff continue to be safe and healthy as we move into the winter months! With almost 8 weeks in, we are very pleased with what is happening as we ALL navigate school under these very different conditions. Students are absolutely thriving under the careful planning and care of our staff while also ensuring safety for all!

With the holidays ahead of us, we thought this would be the perfect time to revisit some of the key aspects that will be critical in continuing to keep us all safe and healthy during the winter months.
